On 25.11.48 the Chairman has noted that if the suggestion in the case (of changing the heir) is accepted he will get Rs 165-3-0

14) The Comptroller says in that case the pension would be Rs 150-4-0 - this is dated 11.2.1949.

3) Under the rules Sri. S.M. Sitharamaiah was entitled to a pension of Rs 125/2 P.M. But Govt in their order ~~dated~~ No 41467/CB dt 15-12-48. directed the shifting of the lien of Sri. S.M. Sitharamaiah. On the light of that order Sri. Sitharamaiah was entitled to a pension of Rs 150/4= and the same was sanctioned in the Financial Secty vide G.O. No PL 8449-50/SFA 111-48-2 dated 17-2-1949. Subsequently the pensioner commuted Rs 35/2 out of his pension of Rs 150/4= and received Rs 3716-0-9 being the capitalised value of the Commuted portion of the pension. (vide G.O. No PL 2209-11/SFA 61-49-2 dt 6-10-1949) Hence the pensioner is getting a reduced pension i.e, Rs 115/4=. As a pension of Rs 150/4= has already been sanctioned, the question of enhancement of the pension does not arise. If it is

proposed to grant a pension of Rs 150/- p.m. it amounts to restore the commuted portion of the pension, which is not admissible. If any concession is shown to this pensioner, it has to be extended to other pensioners similarly placed and at that rate there will be no end.

2) In this connection it may be mentioned that the pension charges are mounting every year and the present financial position is so well known, that the order of the day is Economy in expenditure. In the financial interest of the State such cases should not be viewed with favour.

May it please your Honour,

Before I fell ill in November last, I had submitted my application to your honour for a special pension of 165/- per mensem. No order seems to have been made on that yet.

I crave your honour's permission to bring to your kind notice that I hail from the howling wilds of the Malnad and I belong to the most respectable family of Sakalespur.

As an officer of Government, I have rendered most loyal and honest service with the result that I had to run into debts which I had to discharge from my pension and even I had to commute a portion of it.

I now get a pension of Rs.116-8-0, which is barely enough to meet both ends and to keep my dignity ofoffice,

My father, late Mr. Malali Venkataramaiya of the Representative Assembly from its very inception, was a member of various other local bodies. He was the recepient of a Public Service Medal. Of his four sons, I was the only one in the Government service.

When I retired from service, I was getting a salary of Rs.350/-. I, therefore, request that as a special case, I may be given a special pension of Rs.165/- per mensem, the moiety of the last salary of Rs.350/-, not taking into consideration the average of the three years' salary.

I had to suffer for having served in Mandya, Bhadravati and earlier in Srirangapatna and Nanjangud, where I laid three sons and a daughter into the grave.

In these cirsumstances, I request your honour to
